MISSION REPORT

Our group has returned from the community of Wherry in Smyrna, Tennessee, completely exhausted but with hearts full of joy. They have been blessed by the opportunity to work together to serve “the least of these.” They have been blessed to travel together and enjoy a depth of Christian fellowship that can only come from working together so intensely for a full week. They have been blessed by the residents of Wherry and have been blessed to see the fruits of the work that First Baptist mission teams gave ten years ago to the community.

In August we will have the opportunity to see video and hear some of the stories from team members. The team expresses sincere thanks to our church family for their prayer support and financial gifts that made this mission possible.

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world. James 1:27
