THE PASTOR'S
NOTES

YOKEFELLOW

IN

OUR

LIBRARY

On Sunday afternoon, a group from our Care/Share Committee visited Lenoir Park to share in a worship service with the residents, some of whom are members of our church.

We sang and prayed, but the focus of our time together was the breaking of the bread and the sharing of the cup in celebration of our Lord's Supper. It was a most moving service which brought to some of those who no longer attend our services, the blessing of this wonderful expression of our faith.

Each week, we have members who visit those members of our church who now reside in assisted living or nursing home facilities. This is one of our most important ministries. We are to care for the disciples throughout life's journey. It is important that all know that we are important to the Body of Christ, no matter what our age or ability.

The Care/Share committee has many ministries in our midst. This committee lives up to its name: to care for our members and to share faith and life with our members. This committee and those involved in these ministries know where the true action is!

DBS

During the month of June our church helps stock the pantry of Yokefellow.

A suggested list of items is available in the lower hall of the church. If you will bring your contribution of foods to the church we will see that they are delivered to Yokefellow.

She Stays

How God Inspired a Friendship that saved Bettye and Ricky Van Shelton's marriage.

By Bettye Shelton and Andy Landis

When Ricky Van Shelton let all the temptations of being a country music star overcome him, his wife remained true to him. She struggled right along with him, but she also leaned on her faith in God. A good friend and fierce determination helped Bettye Shelton to stay committed to her husband.

The title "She Stays" comes from a song that Ricky Van Shelton sings.

Love and Respect

by Emerson Eggericks

Love and respect are the main topics in this book for married couples. A wife needs her husband's love; he wants her respect.

The book tackles ways to communicate both of these themes.

DVD also available.
