## **YOUTH NEWS**

Our youth have had excellent weeks of Summer Camp, VBS and Mission Trip this summer. There are **no** youth activities planned for the next two weeks to allow for family vacations and sports camp. We will resume weekly activities in August. Parents should be on the lookout for the August News Letter.

## **MUSIC NOTES**

The Adult Choir will **not** rehearse during the month of July. We encourage everyone to consider joining a choir in August when rehearsals resume.

Dear First Baptist Friends,

Thank you so very much for the cards, the flowers, your thoughts, your prayers, your visits, and your support during the time our sweet mother was sick and after her death. We appreciate your kindness and thoughtfulness because we know how friends and family get you through difficult times. The First Baptist Church family is so special and we are thankful to be a part of such a loving and wonderful church.

Much love,

## NOTES

From time to time someone will ask if mission trips are still necessary. "After all there are so many needs right here in Caldwell County." This question is always asked by someone who has never been on a mission trip because once you've been a member of a mission team, you understand the value of mission trips.

There are many needs everywhere in the world and our church does a good job addressing Caldwell County needs from the Dental Bus and Fuel Fund to the collection of diapers and giving help from the Love Fund. But something wonderful happens when a group of people will take a week of vacation and pay their own way to go meet a need somewhere else in the world.

When a mission team works together, and eats together, and plays together, and worships together, something special happens. They are bound together as a church family in a way that changes the lives of the mission team members. That is what happened last week in Tennessee.

Our mission team spent a week together preparing affordable homes for three different families. The team worked very hard in very hot weather with a great spirit. Several members of the community commented on the wonderful spirit of the group

and I was proud to be a member of this team.

None of the adults who participated had any of their own children on this trip. They were a part of this team simply out of a desire to let their light shine. The team saw example after example of how lives have been changed because our church has made the effort to return to this little community over the years. Many of the people we have helped now participate in missions and continue to help others. Our gifts continue to give through their lives.

Thank you, church family, for your prayers for this team. Thank you Centennial Foundation for the gift of building materials. Thank you, team members, for representing our church in such a good way.

The world is full of need. How will you respond to the need?
