## YOUTH NEWS

Our youth have had excellent weeks of Summer Camp, VBS and Mission Trip this summer. There are **no** youth activities planned for the next two weeks to allow for family vacations and sports camp. We will resume weekly activities in mid-August. Parents should be on the lookout for the August News Letter.

Though many are out on summer vacation, etc. we **strongly** urge you, if you are in town, to come and participate in Sunday School on Sunday mornings.

## MUSIC NOTES

The Adult Choir will **resume** rehearsals on Wednesday, August 4<sup>th</sup> at 7:30 p.m. August is a great month to visit or join the choir as we preview the new fall music, preview the Christmas music, and enjoy the fellowship of signing together.

On Sunday, August 8<sup>th</sup> the choir will lead in Sunday night worship at Alexander Correctional Institute. We invite anyone in our church who would like to go to let us know. We would love to have you travel with us.

Peg Ellis and Judy Prevost, Co-Chairs of the Bereavement Committee, need additional volunteers to help with food for church families during the coming year. If you are willing to prepare a dish of food several times a year, please volunteer. Call Peg (758-9909) or Judy (758-8583) to be listed on a Meal Committee.

Thank you for volunteering.

## NOTES

In the midst of these hot days, there is much planning for the coming of fall. Next month, school will reopen and families will get back in the routines of life. Even those of us without children in school are affected by the education cycle. Our church is definitely affected by the vacations, camps, family activities, and changes in schedules that the summer months bring.

This change of routine can just find us being busier and more exhausted as we seek to cram more into our days. Or, these weeks can bring to us opportunities to take pause and taste the sweetness of life. It's our choice on whether or not we use this time wisely and reverently.

As we plan for the fall, we look forward to fresh approaches to being church. How can we worship in deeper and life changing ways? How can we draw closer to one another in true bonds of caring fellowship? How can we use our resources to be an effective mission station? How can we communicate the good news of Jesus Christ to a world adrift searching for meaning? How can we share the joy?

I found a great quote from Benjamin Franklin last week. Franklin once wrote: "When you're finished changing, you're

finished." We haven't finished being church yet. May we never be finished until Jesus returns. Call it change; call it growth; call it evolving...we'll keep discovering new ways to be church for His glory.
