PASTOR'S NOTES

When the snow and ice affect our weekends, our basic policy has been to cancel Sunday School, but have morning worship. Our goal is to have a few people here so that we can broadcast our service so that the church family can still worship together through the radio ministry. Many who gather on such Sundays walk to church while others share four wheel drive vehicles. The pastor, deacon chair, and property chair make the decision on whether or not to hold services. Notices will be posted on television stations WBTV, WSOC, and WJRI radio. You may also call the church offices on Sunday mornings. We'll be answering the phones by 9 if we are going to have services.

A special word of thanks is due to the snow removal crew who braved the cold and snow to clear the steps and entrance ways to our church facilities. Bob Lee organized the group of Jeff Huffman, John Moore, Ron Stillwell, Gary Shore, Chris and Jake Washburn. This quiet, but strenuous labor made it possible for us to gather for worship on Sunday morning.

FBC TRIP INTEREST

We are looking at organizing another trip for FBC members and their friends. Places we are considering are Branson, MO, Grand Canyon-Hoover Dam, New England States, and Chattanooga.

The trip would be scheduled through First Baptist Travel of Morganton.

If there is enough interest in one of these places, we will set the cost, date and place and have a meeting. If you would be interested in a trip, or have any questions, please call John Dockery at 758-2216.
