Registration Information

Thank you for your interest in First Baptist Preschool of Lenoir! Whether this is your first time with us, or you are returning for another year we are excited you have chosen us to be part of your child's early education and we welcome you! Please feel free to contact us if you have any questions about anything.

Registration forms can be found by clicking on the links provided. Both forms must be filled out and returned along with a \$55 enrollment fee. No spot is held until registration is open and the forms are returned. Enrollment fees are non-refundable. Forms can be returned by mail, our address is located at the top of this page. Health and immunization forms, which are to be filled out by a medical professional, can also be downloaded. These forms are required to be turned in at the start of school. All students must be vaccinated.

Spots are filled on a first-come, first-served basis, with current families and church members having first choice, followed by new families. When selecting class/schedule, please remember that as a traditional preschool, our classes are organized according to the child's age as of August 31st. Toddlers must be 15 months and walking; threes and older should be potty-trained.

Supply lists are posted over the summer for students, as well as back to school orientation dates and any other pertinent information.

We operate similarly to the Caldwell County School System. We match school holidays and snow days, however we are in session for teacher workdays.

Snack fee is included in monthly tuition. Students who use afternoon care are required to bring a packed lunch. We request foods be prewarmed and placed in a thermos. Lunches will be stored in a refrigerator until lunchtime.

Tuition is due on the 1st of every month, with a late fee added if not paid by the 7th. Tuition can be paid online, by cash, check or money order.

Please feel free to call or email with any questions. We are looking forward to a wonderful school year!
